

We Walk By Faith

P I L G R I M A G E 2 0 1 2

This year we will be incorporating a service project into the Pilgrimage. We are asking all participants to bring one pair of *new* children's shoes (size 4-6) and a pair of *new* socks (also children's size 4-6).

All donations will be given to Samaritan's Feet, a faith-based organization that distributes shoes domestically and internationally to those who cannot afford them. Their goal is to equip 10 million impoverished children with 10 million shoes in 10 years.

Help us reach our goal of collecting 400 pairs of shoes and socks at the Pilgrimage on 3/31/12.

Walk by Faith...and bring shoes!
