Please note the following:

PreJV - Game rules will be modified so that no game will end in a tie. If 4th quarter ends in a tie, one period overtime of three minutes will be played and repeated if still tied after the overtime period. The score will remain on the clock for the entire game and will not be brought to "00" after every quarter.

PreJV – The last 2 minutes of the 4th quarter will allow for full court press. If overtime is needed, it will also allow for full court press.

No one is to be on the team bench side of the gym except players and coaches.

No one is to be seated at the scorer table except our book and clock volunteers. The tournament book is the official book. If a team wishes to keep their own book, an assistant coach may do so from the bench or a parent from the stands.

Players who have a game that evening and are on the roster, Coaches, Asst. Coaches do not have to pay an entrance fee. We will have our concession stand open each game of the tournament with a variety of drinks, snacks and food.

We will notify head coaches ASAP if we need to reschedule games due to inclement weather. Please note that we have ample parking & handicap access on campus.

Event coordinators will be hosting Halftime/Court events for spectators throughout each day. Players cannot participate prior/during game time events.
